

## Pathfinder Adventure

The National Pathfinder Director has two pathfinder missions scheduled for the very near future. The timing is short, but there may be someone in your outpost that may want to try making at least one of these trips.

If anyone in your outpost would like to try, the point of contact is Mr. Mike King at 931-626-9358 or [mikeking5@bellsouth.net](mailto:mikeking5@bellsouth.net). He would need anyone interested in going to contact him directly for paperwork purposes.

The first trip is to Nepal in February 7th through the 19th 2019. The cost is \$1200.00 plus air fare.

The second trip is to Kenya in February 22nd through March 4th 2019. The cost is \$2000.00 plus air fare. Extra money will be needed for offerings and souvenirs.

These trips are no different than any other pathfinder trip. The volunteer will be required to raise his or her own funds unless your church pays their way.

The lodging will be in a hotel, and I am told that the food is very good. During the work week the volunteers will be in one location in Kenya. Nepal will be slightly different. They will be in one location, but it will include a lot of walking. That means they will need good boots or whatever footwear allowed.

If your outpost has young men that would like to go, they must be 16 years old. If there are any females that desire to go, they are welcome. However, if they are single they must invite another female along. Couples are encouraged to join the team.

When the volunteer contacts Mr. King, he will be able to tell them what paperwork is required. If there are any other questions, contact Brady Allen Jr. at 910-554-8640 or RevAllenB@outlook.com
