This is a non-refundable deposit and is only for the campsite reservation. The fee does not apply towards your camp fees and will not carry over to the next year. The money will go towards camp renovations and upgrades.

Camp is open to Discovery, Adventure, and Expedition Rangers. Ranger Kids are welcome when accompanied by a parent.

Arrival and Departure Times

Camp gates open at 8 am on Thursday, for those who wish to come early and camp out an extra day. We will have limited activities open on Friday. The final assembly will occur at 9am on Sunday. **Outposts are requested to stay until the assembly is over.** No vehicle traffic will be allowed in camp sites after 6pm on Friday excluding arriving outposts, and no traffic will be permitted on Lambert Lane during opening ceremonies, or while the closing ceremony is going on Sunday. Camp Lone Eagle gates will close at 12pm on Sunday.

ALL VEHICLES AND TRAILERS ARE TO BE PARKED IN THE TOP PARKING LOT (Schram Lot), NO VEHICLES SHOULD BE IN THE PARKING LOT ADJACENT TO THE HEADQUARTERS BUILDING (HardRock Hilton). THIS PARKING IS FOR VISITORS AND DAY GUEST ONLY.

ALL CAMPERS

All Campers should stop and report to the Registrar in the Headquarters Building (HardRock Hilton) for verification before entering campsites. We now have a heightened security to keep everyone safe, and no one should enter the campsites without reporting to the Registrar upon arrival. Anyone found without a camper's pass will be escorted to the Registrar for further verification.

Camp Visitors

All camp visitors or day guests should report directly to the Registrar in the Headquarters Building (HardRock Hilton) upon arrival. Anyone found without a guest pass will be escorted to the Registrar for further verification.

Charter Records

To qualify for the chartered outpost price, outposts must be chartered by April 1. Charter records published by the National Office will be used to verify the status of each outpost.

Photography (Including Video)

Men and boys are welcome to take photographs and/or videos of activities, meetings, and presentations; however, care must be taken to respect the privacy of others. Therefore, no cameras, video recording devices or audio recording devices are permitted in showers, bathhouses, bathrooms, tents, or other areas where there exists a reasonable expectation of privacy. Individuals who take photographs or recordings at camp are expected to exercise appropriate care when taking, publishing, or distributing them. When publishing images, video, etc. (including publication on the internet), no representation may be made which would lead a reasonable viewer to believe that the images are published by, for, or with the permission of Alabama Royal Rangers or the Alabama District Council of the Assemblies of God.

Participants should not rely on the fact that campers provided a Model Release Form to Alabama Royal Rangers as permission, express or implied, to take, publish, or otherwise distribute photographs or other images of campers. It is neither the intent nor the policy of Alabama Royal Rangers to publish on the internet both the name and image of any minor. Anyone publishing pictures of Royal Ranger events should not include the name of the minor in any form or fashion. However, certain information may be intentionally or inadvertently included with images that may allow viewers to determine the general or specific location of subjects. Examples include the word "Alabama", the names of sections within the state, outpost numbers, and church names.

- 3) Train your actors to speak up and to pronounce all consonants not slurring them. Speak to the back row!
- 4) Keep it moving – no stage waits.
- 5) Exaggerate the oddities of any characters – you can't be too "corny".
